Town Council 26<sup>th</sup> November 2018

**14. Motion to Council under Standing Order 11 by Councillor Gibbons**

In recent weeks the Campaign For the Protection of Rural England (CPRE )has contacted rural parish councils in the area asking them to support their campaign against Fracking being allowed under permitted development, robbing local people and communities of having any control over, or say in, this contentious process.

To date WTC has not been approached therefore I move that WTC be pro-active and write to the CPRE with a view to signing up to the campaign.

WTC has proven its “green” credentials having unanimously supported the Plastic Free motion last year...and I now I ask you to support this motion and help send a powerful message to NSC that We in Weston value our town and the surrounding environment and are committed to protecting it
