8. Request to re-join NALC and ALCA

To receive a letter from ALCA (attached)

9. CCG Reply to Council Motion from July

Letter from Julia Ross re Weston General Hospital to Weston-super-Mare Town Council (attached)

10. Motion to Council by Councillor Gibbons – Climate Emergency

“I propose that Weston Town Council continues to build on its clear environmental agenda by joining with NSC in declaring a Climate Emergency, with the aim of becoming Carbon neutral by 2030 and taking what actions it can to mitigate the effects:

16th September 2019

1. Starting with committing to a re-wilding programme in as many areas of the parks and open spaces it operates, as possible. WTC can take the lead in this and help community groups with their own re-wilding and tree-planting projects. This will be beneficial in creating additional habitats for bees, insects and other wildlife and create attractive "wild" areas of educational value to the community. These areas will be easy to maintain and send a positive message out to the wider area about Weston as an environmentally aware, eco- friendly town.
2. Creating a "Climate Change and Environment Working Group", which will be able with engage with other groups including NSC, and facilitate actions such as a public meeting (hosted by Chris Sperring)"
