### **13. Motion to Council under SO11 from Councillor Roger Bailey**

"Previously Weston Town Council has written to the BNS&SG Clinical Commissioning Group (CCG) to support equal consideration of the consultants' plans for the restoration of 24/7 Accident & Emergency care at Weston General Hospital.

Also on the 14th March 2019 John Penrose MP wrote to the CCG to request that a "clinical trial" take place to gather necessary data to evaluate the consultants' proposals. We understand that this trial has not taken place and we are concerned the CCG are not fully evaluating options as we expected.

For this and for the unsatisfactory consultation process, we instruct the town clerk to write to the CCG to register this Council's continued frustration over the protracted A&E overnight closure and secondly to write to North Somerset Council to demand that they use their authority to refer the matter to the Secretary of State for Health"
