#### 366 Marketing Report

The report of the Communications and Marketing Officer had been previously circulated.

#### **Blue Plaques**

It was reported that all blue plaques had now been installed. There was no budget remaining for the current financial year. The Chairman suggested that there should be an agenda item for the next meeting to discuss a new programme of plaques, potentially centred around buildings such as the Royal Hotel.

The Ivy Millicent James plaque was now in situ. It was suggested that the college should be contacted to engage with the exhibition, which would run until May, as the college was Ivy's root into art.

The Chairman asked if there was a trail of the plaque. The Communications Officer explained that there were audio recordings on the website. Whilst QR codes on, or near the plaques would be an option, it was felt they did not look aesthetically pleasing and technology was evolving quickly and might become redundant. A member enquired if the Museum had a copy of the Ivy Millicent booklet produced by the Museum in previous years. The Deputy Town Clerk advised that she would investigate.

#### Literary Festival

It had been decided that a collaboration with Culture Weston was the best way forward, in order to deliver the festival, which would be a celebration of local writers and poets. It was suggested there could be a link with SEE Monster with a climate change emphasis.

The Assistant Town Clerk (Operational Services) entered the meeting at 10:11am.

Members suggested it would be good to get a high profile author in order to attract a higher attendance. The Communications Officer informed that whilst this would be ideal, it would come at a high cost. The Chairman asked how they had planned to attract visitors with local unknown authors. The Communications Officer explained that in Bristol they had worked on more of a panel format, with speakers.

It was suggested that local author Brian Price be a speaker. The Deputy Town Clerk would circulate Tom Newman's email address for members to send suggestions.

The Chairman explained that Jane Evans, the first curator of Weston Museum when opened in 1976, had written a book on George Cumberland and suggested that the Museum would be a good site for a book look. The Friends of the Museum had supported Jane in the publishing of her book.

**RESOLVED:** That the report be noted and that Culture Weston should become a partner to aid the next literary festival.

#### **367** Weston Museum Management Report

A verbal report was given by the Assistant Town Clerk (Operational Services).

Members were advised that the Visitor Services Manager had left and that the role had been advertised. She would be based at the Museum as much as possible. The Museum was going through a period of adjustment, but was still very busy and the best service possible was being delivered. The Deputy Town Clerk explained that following the last staffing review, there was built in resilience, with the operational services team able to support the service in the interim period. The service was running as usual, but there was no opportunity for progression until the new manager was in post. The priority was to ensure Museum staff felt supported.

A new Catering Supervisor had been appointed and due to start in April. He had a military background, with a wealth of experience in hospitality and catering. The Chairman requested to meet the new Catering Supervisor when in post.

The Chairman expressed his delight at seeing the Worle History Society exhibition in the courtyard, the Know Your Place exhibition in the function room, and the Ivy Millicent James exhibition in the William Mable Gallery.

The Assistant Town Clerk (Operational Services) reported that volunteers were essential to the running of the Museum and had provided vital support during this period of change.

Members were informed that the Catering Assistant was absent due to a family bereavement. The Chairman requested for the Committee's condolences to be given.

The Assistant Town Clerk (Operational Services) left the meeting at 10:28 am.

A report was tabled by the Chairman, to be noted.

**RESOLVED:** That the verbal museum management and Chairman's tabled report be noted.

#### 368 Blakehay Report

The report of the Theatre Manager had been previously circulated.

The Chairman thanked the Theatre Manager for the very well received open day, however his disappointed at fellow councillors that only 5 had attended was noted.

The Assistant Town Clerk (Operational Services) reentered the meeting at 10:30 am

The Theatre Manager introduced Jasmine, whose role had changed from Box

Officer Supervisor to Events and Marketing Officer.

Since reopening there had been two shows at the Museum, Wrestling and 'Opening Up' performed by the Oppits, with Worle Operatic performing Rent the following week.

In April a Gospel group from Northern Ireland were due to perform, which would bring in visitors from Northern Ireland. The Theatre Manager referred to page 2 of her report which detailed future performances and where the bookings had come from. It was demonstrated that bookings were being taken from companies all over the country. The Chairman highlighted the need to advertise these performances to the community. It was explained that the Events and Marketing Officer was working on this, with the Blakehay's attendance up on the national average of 60%. Tom Newman explained that North Somerset Council maintained a list of activities, to which they provided information about bookings. The Theatre Manager explained that all the bookings were external hires, not programmed works, and it was the hirers responsibility to market their shows and ensure there were no local clashes.

The Chairman enquired what the working relationship with the Playhouse was like. The Theatre Manager explained that the relationship with staff was working well, but was strained with the management. The Deputy Town Clerk informed that they had tried previously to engage with no success. It was suggested that the Placemaking meetings might be a good way to engage, as the Playhouse attended these. The Chairman was keen to forge better relationships with the Playhouse, and asked members to action this.

The Theatre Manager reported that the Theatre had been shortlisted for a tourism and leisure award and would bring news of the outcome to the next meeting.

**RESOLVED:** That the report be noted.

#### 369 WSMTC Grant Development

A verbal update was given by the Development Officer.

The evaluation report for the Arts Council England Cultural Recovery Fund Continuity Support had been submitted and they were awaiting confirmation of completion of the funding project.

The Development Officer explained that many funders were pulling back following the immense support throughout Covid. The Arts Council and Heritage Lottery Fund were in a position to support, however more planning works would be required with the Museum and Blakehay before we were in a position to apply.

The Deputy Town Clerk advised that there was a meeting with Culture Weston to discuss working together to attract bigger grants.

The Theatre Manager left the meeting at 10:46 am.

|     | RESOLVED: That the report be noted.  |
|-----|--|
| 370 | South West Heritage Trust Update Report  |
|     | The report of Bethan Murray had been previously circulated with the agenda.  |
|     | The Chairman advised that the floor in the William Mable Gallery had been laid after a substantial delay.  |
|     | The Theatre Manager reentered the meeting at 10:48 am.   |
|     | The Assistant Town Clerk - Operational Services stated that the exhibition in the courtyard had blocked visitors view of the William Mable Gallery and as such, she had needed to redirect people. It was suggested this should be explored further.   |
|     | A horrible histories exhibition would be coming to the William Mable gallery. The Chairman advised this should be well publicised, as it would be free to attend, unlike other Museums.  |
|     | Members discussed the lack of an opening event for the Ivy Millicent James exhibition. It was considered that this was a missed opportunity to bring people into the Museum, but that consideration of how the event ran and who was invited should be given, as they tended to produce the same visitors. |
|     | RESOLVED: That the report be noted.  |
| 371 | Friends of Weston Museum Verbal Report   |
|     | Heather Morrissey provided a verbal update   |
|     | The Friends of the Museum talks had been well attended, and they had expanded into coffee mornings which were building momentum.   |
|     | The Friends would have a stall at the Museum Fayre.  |
|     | A dinosaur donation box had been commissioned from Somerset Wood Recycling. This was being repaired following a pencil being lodged, so was not currently in situ.   |
|     | RESOLVED: That the verbal report be noted.   |
| 372 | North Somerset Council and Heritage Action Zone Report   |
|     | The report of Cara McMahon had been previously circulated with the agenda.   |
|     | RESOLVED: That the report be noted.  |

Tom brought feedback for members to discuss. He gave thanks to the Town Council and ACE for their support was noted. #### Sand, sea and spray paint as Weston Wallz returns for 2022

After a successful launch in 2021, Upfest, the creators of Europe's largest street art festival, will once again head to the coast this July to bring more murals to the seaside, in partnership with Weston-super-Mare Town Council and Culture Weston.

Weston Wallz will take place from the 22nd to the 31st of July, with around 20 street artists creating large-scale murals. These will add to the current street art trail from 2021, featuring artworks from a diverse mix of artists including Jody, Irony, Hazard One, Dan Kitchener, Farrah Fortnam, Tozer, John Curtis, Damian Nicholson, Andy Council and Shruti Ashish.

Each artist will bring their own style to create one-off designs on a variety of walls and locations around the town centre, if you own a property in the centre with a prominent wall which you'd like to be considered for the trail then please get in contact with Upfest via their website or social media.

Malcolm Nicholson Town Clerk at Weston Town Council said: "Last year was a huge success for Weston Wallz and was received so well by the town. There was so much interest in what was going on so we're more than excited to be bringing it back and encouraging new visitors to the town to come and see the street art happening live."

'We are thrilled to be bringing Upfest back to Weston this year. Weston Wallz builds on the burgeoning popularity and reputation for great street art in the town and will create vibrant new landmarks for the town. Investing in the town in this way will add to its distinctive cultural identity, draw new visitors to the town and boost local business.' Tom Newman, Culture Weston programme manager.

Upfest co-founder, Stephen Hayles, added: "When we brought Upfest to Weston last year, we didn't know how people were going to react to it, but to see the support and demand for more is

incredible. We want to say a big thanks to the town council and Culture Weston for investing back into this initiative and funding the project. The architecture in Weston is amazing, so if anyone has a building or knows of a property that would be great for this - get in touch."

The initiative has been funded by a grant from Weston Town Council and Culture Weston and hopes to further grow the town's cultural identity, attract new visitors and boost local business.

Artists and locations will be announced in the coming months leading up to the project and street art fans are invited to come down and follow the process. An interactive Google Map will be created for trail hunters to easily identify the murals and witness the transformation of ordinary corners becoming landmarks in the town.

To keep up to date with artist announcements and location reveals, you can follow Weston Wallz on <u>Twitter</u> and <u>Instagram</u> or visit the <u>Upfest</u> website for more information. Further details will be available at www.cultureweston.org.uk and https://wsm-tc.gov.uk.

#### **Weston Museum Marketing Strategy 2022**

| Ambition  | Timescale    | Success would be  |
|---|--------------|---|
| 1.1 Split out events on the website as events and special events. Special events are being lost in the full event listing.  | 1 month      | Clear navigation to the 'book now' for events so they are easier to find  |
| 1.2 Events brochure/flyer to be printed. Use for the front desk so people can pick one up and find out what's on. These can also be at the VIC during the summer months and in the Tuk Tuks   | 2 months     | Increased sales for events and room hire  |
| 1.3 Market the Museum's educational opportunities so that it becomes a nationally recognised venue for education.   | 0 to 5 years | Create educational films on our YouTube channel to help us become a 'go to' place to learn about the history of the South West. This in turn markets the museum nationally, making it a destination for tourism.  |
| 1.4 Streamline social media accounts so we don't have so many of them and the one we have are used more effectively   | 1 month      | Less confusion on where the public finds information  |
| 1.5 More in-person partnership outreach to have a presence at other events. Using our asset of the 'Adventure play park' which is popular in the summer months. This will help to raise awareness of events at the Museum, by using the gazebo and having 'handling boxes'. | 0 to 5 years | Creation of an inclusive community, by going out and finding the people who might not think to come to a Museum.  |
| 1.6 We will continue to grow the Facebook page, Instagram, and Twitter followings and continue the outreach to Facebook groups. We will do this my systemising the posts and paying for a scheduling system.  | 0 to 5 years | Engagement reach grows to visitors in and outside Weston. Scheduling system will remove the need for staff to be using their personal social media accounts for Museum assets. The calendar will also make clear what is being sent out when so all staff can clearly see all social media on all platforms in one place. |
| 1.7 Create scheduled recycled evergreen marketing   | 1 month      | Saving staff members time posting on social media and increasing awareness and sales.   |
| 1.8 Continue to use multimedia such as film production to promote us as a venue.  | 0 to 5 years | More film production. Marketing on a psychology level, using image and film in order to create the emotive marketing that stands out in a world saturated with adds.  |

| Ambition  | Timescale    | Success would be   |
|---|--------------|--|
| 1.9 Continue to have print marketing design in house.   | 0 to 1 year  | This is the house style for everything written that the Museum distributes that is seen by the public or profession. It is essential that the Museum has a 'voice' style so that it can maintain branding. |
| 1.10 Expand our newsletter audience and target with Ticket Source and create regular targeted newsletter mail outs. Bring together the fragmented mailchimp accounts and pay for the mailchimp to have systemised lists | 0 to 1 year  | Bi-weekly or monthly newsletters to targeted audiences. With a growing mailing this list to target our newsletter to more people and connect with existing customers                                       |
| 1.11 Study analytics and target audience.   | 0 to 5 years | We will continue to use analytics to observe our growing audience and make sure our marketing is on an expanding target.   |
| 1.12 <b>Clara's café</b> – Work with Peter to post a menu and create a flyer from it to be distributed and be on social media and TripAdvisor   | 2 months     | Greater awareness of Clara's café and a growing customer base  |
| 1.13 Use TripAdvisor by uploading photos and paying for outreach  | 2 months     | More footfall to the Museum  |

#### From Weston Town Council's Strategy – Heritage, Arts, Culture

To work with local community and partners to ensure that the town of Weston-super-Mare has growing opportunity for Heritage, Arts and Culture.

This marketing strategy is a 'living document' and will be developed and referred to as we move forward with our plans.

#### **ITEM 6. Museum Progress Report**

#### Written by Lisa Clemons – Acting Museum Operations Manager

The museum is currently running with a reduced staff team. With the support of the Assistant Town Clerk Operational Services and other town council staff we have been able to continue with daily opening and facilitate all of our event and function commitments. Future event and function bookings are being carefully selected until the end of July when the team should be back to full strength.

The flooring in the William Mable Gallery has been replaced and the Ivy Millicent James Exhibition is now being enjoyed by visitors.

On the 1<sup>st</sup> of April we welcomed Peter Kaye to the team as our new Café Supervisor Peter, a retired WO1 from the Army Catering Corps, is already proving to be a huge asset to the café and day to day operations.

The first official wedding ceremony took place on the 30<sup>th</sup> of April in the function suite followed by an afternoon reception and evening party. The day went very well and we have received a great deal of positive feedback about the venue and staff.

The museum will be closed for two more weddings on the 6<sup>th</sup> May and the 2<sup>nd</sup> July.

The museum will also be closed on the 25<sup>th</sup> June to facilitate staff manning a promotional stand at the Armed Forces Weekend/Air Days. We will be joining colleagues from Visit Weston and the Blakehay Theatre to promote all town council operational services.

Volunteer recruitment has been put on hold but existing volunteers continue to support daily operations and projects.

Assistant Town Clerk Operational Services to give an additional verbal report.

#### Heritage and Arts Committee Meeting: 12th May 2022

# Item 7. Blakehay Theatre Management Report written by Sally Heath, Theatre Manager

#### Overview

As previously reported in the management report at the May 2021 HAC Committee meeting, we are working on year 2 of our <u>5 Year Plan</u> over this financial year. This plan is based on the Town Council Strategy and the theme for this year is 'Building Back'.

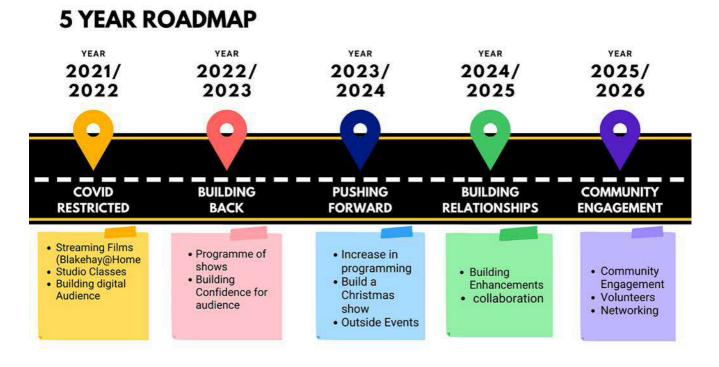

Some news since re-opening the theatre.

#### 5 Year Plan

Due to the delay in the building works being completed at the theatre and the building not being handed back to the Council until February 2022, the first year of this plan did not come to fruition.

However, with the delay in the re-opening of the theatre, this meant that the Blakehay was able to re-open to full capacity with no restrictions due to the Covid Pandemic.

Therefore, the focus of this year is 'Building Back'.

There are a few key points that the theatre is focusing on this year;

- 96 Main House performances over this financial year (Hire and Programming)
- 15 hours of Studio Classes per week
- 3 hours of Theatre Bar Hire per week
- Studio Theatre and Cinema back up and running in Autumn 2022
- Increase in Capacity and Ticket Yield for performances (Encouraging Dynamic Pricing)
- Community Event at the theatre (CRF Early 2023)
- Getting out to Events/ locations in and around the town
- Nostalgia Café working with the Museum and Volunteers (Autumn 2022)

WSM TC HAC Cttee Report – Last amended 05/05/2022

- Re-looking at the SEN application with the Development Officer
- Working with Visit Weston to look at tourist packages for Summer 2023 season
- Increase in theatre Bar sales to an average of £183.00 per performance

Some success stories so far since re-opening are;

- The theatre has opened in a stronger position than initially envisioned with an increase in Booking enquiries for hire – at present there are 66 main house performances either confirmed or provisionally booked for 2022/2023 financial year before programming. In past years this has averaged on hire of 21 per year.
- the studios have been very popular in being used for classes with a current average of 10 hours per week, with the bar/stage being used at the same time due to popularity of the space available.
- The income on the theatre bar has increased with the last few performances with an average of £293.77 of income through bar sales over the last 9 performances.

#### **Re-Opening Blakehay Theatre**

The theatre saw a strong re-opening in February and March with shows averaging at just over 67% capacity, when the industry average was 60% capacity. However, ticket sales were not being bought in advance and were last minute due to the high numbers of Covid infection around at the time.

However, since 1<sup>st</sup> April 2022, we have noticed a dramatic decrease in the audience capacity numbers with an average of 33% for shows in April 2022. We have also had a two shows (hirers) postpone their shows to Autumn 2022 and one company (hirer) cancel their show (with full payment of booking costs), all due to audience capacity.

After talking to companies and venues over the last few weeks, it would appear that this is affecting the theatre industry across the country and is mainly due to the 'Cost of Living' crisis. Thankfully, the shows that are in the theatre for May 2022 are mainly local shows, and so we hope that as this settles down, patrons will feel more comfortable in spending a little more.

To be able to counteract this current climate, we are working with companies to encourage them to use our Dynamic Pricing system on their box office sales, as this gives patrons an opportunity to see a show at a reduced cost. All of the programmed shows at the theatre, currently use this system and means that we are able to capture a broader section of the community. Marketing campaigns are also being stepped up with offers available for programmed shows, to give people an opportunity to be able to purchase tickets early and cheaper than they would at last minute. However, it is expected that this current crisis is to last at least a few months.

The theatre has an annual shutdown for maintenance and Health & safety checks at the theatre, which also includes to the maintenance of all of the technical equipment and the PAT testing etc. Due to the delay in the completion of the building works this happened in December 2021, however as this is a period for hires of the theatre so we have bought this forward to a quieter period and the following dates have been allocated to a shutdown to be able to complete these tasks in time;

**Studio & Studio Theatre** – Closed Monday 15<sup>th</sup> – Sunday 21<sup>st</sup> August 2022 (inclusive) **Main House** – Closed Monday 22<sup>nd</sup> August – Wednesday 31<sup>st</sup> August 2022 (inclusive)

In addition, we organise and run the annual Weston-super-Mare Sea Shanty and Folk Music Festival (WsMShantyFest), with the support of RNLI and Lions' volunteers. The Festival is strictly a non-profit event and no performers receive any remuneration. With the support of Weston-super-Mare Town Council's Grant in 2021, we were able to cover all Festival costs and a total of £5000, raised by bucket collections from audiences, was donated in equal share to Weston RNLI and Lions. It is for the purpose of helping towards Festival start-up costs that this Grant is sought.

The Festival is organised by The Steepholmers Shanty Band. We seek to provide a weekend of entertainment for the residents of Weston-super-Mare, its environs and holiday-makers and visitors from further afield.

The Main Stage will once again be located on The Italian Gardens, with some 14 or so other venues around the town and on the sea-front, including The Tropicana, Grand Pier and a number of bars / pubs. We are in discussion regarding appearance at See Monster.

There are going to be up-front costs to be borne prior to the Festival. These include: payment of site fees and licences to North Somerset Council, publicity (printing, distribution, media advertising and promotion, etc.); hire of staging & marquee(s); hire of p.a. / sound systems and engineers, hire of portable toilets, hire of additional waste management facilities, etc., etc. Any grant forthcoming from the Town Council will be gratefully received and the support of the Town Council will be acknowledged on publicity materials, etc. Anticipated Festival costs are c.£8000.

Feedback from the 2021 Festival was unerringly positive from audiences, venues reported record takings, there were no complaints whatever received by North Somerset Council regarding any aspect of the Festival.

10. In 20-30 words, provide a summary description of the work you are seeking a grant towards.

<sup>12.</sup> How will your event/activity meet the objectives and proposed outcomes of this fund? (up to 200 words)

#### **Objectives of fund**

- 1. To promote activities that have regard for the benefit of local residents. Local residents will benefit from cultural enrichment experiences through attendance at the Festival.
- 2. To promote activities which aim to support the creative sector of Weston-super-Mare. The Festival offers opportunities for local Sea Shanty Bands and other Folk musicians to perform for live audiences at venues across the town.
- 3. To encourage further investment in the Heritage Arts and Culture Community. The Festival seeks to attract sponsorship from businesses local and national which will be repeated annually to further support the Festival and assure its long-term future.
- **4.** To promote activities which demonstrate benefit to the local economy Proposed outcomes what success looks like. The Festival will attract audiences from not only the immediate area, but from further afield. Local businesses (notably hotels & guest houses, food outlets and other hospitality businesses will experience increased trade as a direct result of the Festival. This was evidenced in feedback from businesses involved with last year's event. Furthermore, a total of £5000 was distributed in equal share to Weston-super-Mare Lions Club and Weston RNLI in 2021.

The success of your project would be understood by using the following three criteria:

- 1. Number of beneficiaries (participants and audiences) engaging in the activity (grant holders will be required to collect and submit audience evaluation data following the event. It is anticipated that audiences will number in the region of 5000 people, across all venues, during the Festival. There are expected to be 60+ performers (Groups or individuals) taking part.
- 2. Inward investment value of match funding secured from other sources to enable activity in Weston-super-Mare. Sponsorship is sought from businesses and the venues themselves. This income more than matches the Grant being applied for.
- 3. Number of paid employment opportunities created for local artists/creatives/freelancers. None. The Festival is strictly a non-profit event and all performers give their services free of charge. The proceeds of collections taken at venues (after any necessary expenses) are distributed equally between the Weston RNLI and Weston Lions Club.

Our 'partners' are:

North Somerset Council, with whom we work to comply with all regulatory and licensing requirements;

'Contractors' and traders who agree to supply their services etc. The main contractors (Reaper Events for staging and sound systems, etc and The Showtime Bar for Bar services) were involved in the evaluation of the 2021 Festival and are contributing to the planning of the 2022 Festival. Other contractors and traders agree clearly-defined terms and traders are responsible for acquiring their own Street Trading Licences from NSC.

The Lions and Weston RNLI personnel are involved on the fundraising side by providing volunteer stewards/collectors during the Festival – and the associated planning which this entails.

We are also in touch with Culture Weston.

14. How have you identified the audience for this project? If applicable how have they been involved in the process and planning of your creative activity? (up to 200 words)

Our first Festival in 2021 was 'a leap of faith' in that we really had no idea how many would attend and what the audience reception might be. This was one of the first large-ish events in Weston as Covid restrictions eased and performers were eager to be performing again. Despite horrendous weather on the Friday evening and during Saturday, audiences exceeded expectations and their donations via the bucket collections showed how appreciative they were and their support for our beneficiaries. Our venues reported record sales figures for the weekend. We have no reason to believe that we will not build on 2021's success and that audiences will once again flock to the Festival.

15. How many people are likely to engage in your project and who are the main target audience?

| Number                                | Target Audience                      |
|---------------------------------------|--------------------------------------|

|                                       | specifically for the Festival.       |

- 16. Does the activity seek to specifically engage with any of the protected characteristic groups described in the Equality Act 2010? If so which? Tick all that apply
  - age
  - disability
  - gender reassignment
  - marriage and civil partnership
  - pregnancy and maternity
  - race
  - religion or belief
  - sex
  - sexual orientation

 None of the above, particularly. We aim to entertain people regardless of whether they fall into any of the groups given above.

17. Please indicate below the work you plan to produce as part of your event/activity.

| Event/activity Results                                      | Estimated   |
|---|---|
| Number of new products or commissions                       | Unknown   |
| Period of employment for creatives (in days)                | 3   |
| Number of performances or exhibition days                   | 60 Bands, approx 250 performers in total, providing c. 300 x 45-minute sets over the three days.  |
| Number of sessions for education, training or participation | Audience participation expected during all sets. Most bands explain the history of the music they perform. In addition, there will be educational displays on The Italian Gardens, including nautical skills and history. |

18. How will you measure and evaluate the success of your event/activity? What will success look like? (up to 250 words)

(Please note, if successful with your application, your compulsory evaluation must mirror your answer to this question)

Audience reaction and any responses (positive or negative) from our partners and volunteers will be taken into account. If people (be they performers or audiences) enjoy the Festival – and we can raise more much-needed cash for the Weston RNLI and Lions – that will be the measure of our success.

Comments made on Social Media and submitted via our websites will also be valuable indicators.

19. Do you see this as being a one off event/activity, or is there an opportunity to develop it further? (tick)

| One off event/activity | Opportunity for future | YES |
|------------------------|------------------------|-----|
|                        | events/activities      |     |

20. Tell us about your relevant experience which will assist you in delivering the project (up to 200 words)

The organisation of the first Festival in 2021 was beset with difficulties. North Somerset Council agreed to let another organisation use The Italian Gardens at the same time as ourselves and there were many re-arrangements necessary. This other organisation then pulled out, leaving us 'high and dry' and having to arrange and 'foot the bill' for those services etc, that they had agreed to provide. Some performers had to cancel at very short notice because of Covid infections and a few venues were affected by staff shortages occasioned by Covid. We therefore had to re-organise bands and venues at very short notice – and communicate those changes to venues, performers and audiences alike. The weather was against us but, despite all the trials and tribulations we delivered a great event which was well-supported and bands are again lining up to appear this year. North Somerset council officers were particularly impressed with our organisation and SAG paperwork. (Cont.)

Given the above, we are confident that we can repeat, if not improve upon, last year's great success of the Festival.

#### 21. How do you plan to market your event/activity? (up to 200 words)

We have good internet and media presence and coverage. We are organising a Fundraising Concert on 19<sup>th</sup> March at St Paul's Church to raise awareness and funds to 'kick-start to 2022 Festival.

As with last year, we will be producing posters, leaflets and flyers for display publicly and we will be making press releases from time to time to publicise the event. As with last year, we are hopeful of support from Wave Community Radio in publicising the Festival and we will be approaching Radio 2's 'Folk on 2' programme to highlight the event. We are also in regular contact with many other Shanty groups / organisations / media groups (eg What's On In Weston-super-Mare) and they are always more than happy to share our posts.

# 22. Please indicate how you have considered the following with regards to your event/activity: (up to 500 words)

| Factor          | Details   |
|-----------------|---|
| Accessibility   | The Main Stage is located in The Italian Gardens – accessible to all. All other venues are responsible for their own accessibility arrangements and we only accept venues which can demonstrate their willingness to make themselves as accessible as possible. |
| Inclusivity     | All are welcome, regardless of age, gender, race, religious belief, etc., etc.  |
| Social value –  | The Festival is a completely non-profit event. There are no admission charges (other than Grand Pier admission charge)  |

| consider how services might improve the economic, social and environmental well-being of an area. | Whatever surplus we can achieve will be donated to Weston Lions and Weston RNLI, to the benefit of the local community – be it directly or indirectly.  Music can be shown to be immensely beneficial to the public's sense of well-being and community and the Festival encourages tourism and provides income to local businesses, thereby improving Weston's economic well-being. |
|---|--|
| Covid 19 (or any potential imposed government restrictions)                                       | The Festival will comply with any government-imposed restrictions which may be in force in August 2022. In enclosed spaces (Bars, pubs, etc) patrons will be expected to follow their personal preferences regarding the wearing of face-coverings, social distancing, etc since these matters are no longer the subject of current legislation.                                     |
| Climate change – environmental sustainability   | Patrons are requested to use public transport wherever possible in attending the Festival. Food traders are requested to use non-plastic, re-cyclable containers, packaging, etc. The Festival employs additional waste management measures – in addition to those provided by the Local Authority.  |

Theatre Orchard is an arts development organisation for North Somerset, with a particular focus on access, engagement, and producing high quality cultural events that make the region a great place to live, work and visit.

Culture Weston is a programme hosted by Theatre Orchard, with a focus on building an inclusive creative and cultural ecology and infrastructure. Instigating creative training pathways, growing artist employment opportunities, and enabling ambitious creative collaborations that support Weston's growth as a healthy, dynamic and prospering town where everyone's input is valued.

#### 2) SEE MONSTER - Engagement activity

Culture Weston is co-ordinating creative activities with discrete communities of interest to amplify the messaging and reach of See Monster. We were particularly requested to link with residential homes, the hospital and marginalised young people. Projects include ROAR Summer Schools with North Somerset Music Service; Weathering Together cross-generational audio project that will tour to residential homes; family sessions in libraries; Youth Think Tank structure with Into University resulting in digital/live output exploring extinction; climate based visual arts project with young people from YMCA leading to poster campaign; zine resource (envrionmental theme) for hospital and wider community settings;

#### See Monster Think Tank Activity - adults

As part of wider See Monster activity in the town, an inspiring think tank process has been underway (developed and managed by Becky Walsh) to generate ideas from the community regarding activity on the platform and in the town that could add value to See Monster's wider impact in Weston. NSC funding has enabled Culture Weston to employ two p-t producers from the town to bring this programme to life. A bid has been submitted to Arts Council, and we would like to apply to Weston Town Council for support once ideas have been properly researched and the the funding gap identified.

#### 3. HERITAGE - 21st Century super Shrines

Precis: Historic England funded cultural programme as part of Weston's Heritage Action Zone. A series of shrines co-created by artists and communities that represent people's values and voices through artworks and experiences on the high street.

Shrine 1: Pending planning permission, the new bandstand for Big Lamp Corner (designed by Morag Myerscough and the community) will be launched this Summer. A light touch Summer Bandstand programme is being curated by our community producer Sophie.

The music programme will be launched with the premier of a new song for Weston enabled through the 'Round Here' programme that is creatively led by Live Music Now. Weston is one of 6 high streets in the Heritage Action Zone programme to have been selected for this initiative. In Weston Live Music Now are working with a mixed group of SEN and mainstream young people from Baytree and Herons Moor Schools, and with elderly residents of Acer House. The project also presents a paid opportunity for a trainee producer from the locality. (Contingency - if the bandstand is not in place this Summer, we will in any case animate the high street with the music programme).

#### Shrine 2:

Tom Marshman is asking Weston's LGBQT+ community 'What's the Queerest thing that's happened in Weston?". Stories were shared at a tea party event at Proud Bar on 26 April, followed up with 1-2-1 conversations. Creating a story about the town and its people that builds on our 2021 commission 'Brothers Through the Decades'. The show will be presented in the ballroom of the Grand Atlantic Hotel at 4pm on Sunday 3 July to coincide with Weston Pride weekend. An audio tour will also be created for the high street, with a live version led by Tom on 2 July and shared online.

Chip Chat is our You Tube series where professional artists and emerging artists meet over chips to chat culture, creativity and heritage. Episode 2 with Shagufta Iqbal and Sophie Shepherd premiered on youtube on 25 March <a href="https://youtu.be/rJ0P\_9HDlf4">https://youtu.be/rJ0P\_9HDlf4</a>. Chip Chat headed up Historic England's latest national newsletter and was showcased by them at regional event, and 21st Century super Shrines also featured in a highlights video of the national high streets cultural programme, produced by Historic England and released in April.
