'The Town Council resolves to lobby the CCG to express its concern about the choice of location for the much needed new medical centre. It also requests a consultation to enable us to understand the rationale for this decision and consider the alternatives.

The proposed site is on the wrong side of the railway line, it is difficult for patients to access by walking, cycling and public transport; and is therefore predicated on car use. As part of

our climate emergency policy it is incumbent on us to look at the carbon footprint of all new developments and preserve the few green spaces around the town. There are several brownfield sites with good transport links in the town centre which would be better locations for a medical centre.

10. Town Councillor Email addresses

Members will be aware of the resolution and correspondence sent in relation to transferring all email communication to the newly set up individual WSMTC email addresses. As such, this is a polite reminder to ensure that all members are now using this as the means of email communication for the council and as such you are fully set up to access and do so. If any members are not able to access their WSMTC emails, please indicate this to us tonight and we will organise a member of staff to assist you with this.

Please also note that the email addresses on the Councils website for councillors will be changed to individual WSMTC individual councillor addresses **following** this meeting
