ABOUT US

THANK YOU FOR CONSIDERING US

We have a dedicated team who work throughout the year to ensure the Cemetery is maintained and cared for. Full care and attention is given to all who choose our Cemetery as their final resting place for loved ones. One of the biggest choices many are faced with following the death of a loved one is the choice between burial or cremation. We pride ourselves on having a variety of choices for you to consider.

FULL BURIAL AND CREMATION

There are many special areas within the cemetery where you can lay your loved ones to rest. We also have a limited number of single full burial plots available. Please get in touch to arrange an appointment with us. We would be happy to talk through the options available, or even meet you at the Cemetery and walk with you.

OUR CHAPEL

Our charming neo-14th century Gothic Chapel is available for use by all, not just those choosing a plot within our Cemetery. Please call us to discuss how you can make a booking and check availability.
