IT'S BEGINNING TO LOOK A LOT LIKE CHRISTMAS

It's beginning to look a lot like Christmas
Everywhere you go
Take a look at the five and ten
It's glistening once again
With candy canes and silver lanes aglow
It's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see is the holly that will be
On your own front door

A pair of hop-a-long boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen
And Mum and Dad can hardly wait for school to start again
It's beginning to look a lot like Christmas
Everywhere you go
There's a tree in the Grand Hotel, one in the park as well
It's the sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas
Soon, the bells will start
And the thing that will make them ring is the carol that you sing
Right within your heart
It's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see is the holly that will be
On your own front door

Let it Snow!

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow! Let it snow! Let it snow!
Man it doesn't show signs of stopping
And I brought me some corn for popping
The lights are turned way down low
Let it snow! Let it snow!

When we finally kiss goodnight
How I'll hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warm
And the fire is slowly dying
And, my dear, we're still goodbying
But as long as you'd love me so

Let it snow! Let it snow and snow!
When we finally kiss goodnight
How I'll hate going out in the storm
But if you really grab me tight
All the way home I'll be warm
Oh, the fire is slowly dying
And, my dear, we're still goodbying
But as long as you'd love me so
Let it snow, let it snow, let it snow
